

Make it all worthwhile (V.Beaulne)

Crazy world we live in  
I can't help but worry  
Crazy world we live in  
Love is hard to find

I been around the world  
I sang for saints and sinners  
Lord O Lord I don't know what to do  
Love is hard to find

It's a favour you didn't ask for  
It's a gift unexpected  
It's a beautiful summer  
Makes it all worthwhile

It's the voice of a lover  
It's the sound of a river  
It's a song on the radio  
Makes it all worthwhile

Got to keep on going  
Till the end of the road  
Got to keep on going  
Make it all worthwhile

All the old folks are gone  
So many friends are gone  
All the old dogs are gone  
There sleeping at the end of the road

Lord have mercy, have mercy on me  
Keep me going to the end of the road  
And I'll sleep over there  
Makes it all worthwhile
